

Website and General Advertisement Permission Form

Columbia Christian Schools (CCS) will occasionally want to post pictures of students on the school website and on general advertisement material. CCS will not put the students' last names on these sites and will definitely NOT place student addresses on the web.

Please check the correct corresponding box.

I do give permission for CCS to place my student's picture on the school website and on general advertisement material.

I do NOT give permission for CCS to place my student's picture on the school website and on general advertisement material.
