

# Columbia Christian

FAITH • CHARACTER • ACADEMICS

August 12, 2021

Columbia Community,

I am extremely blessed and grateful to have the opportunity serve Columbia Christian as Athletic Director and Varsity Boys Basketball Coach.

I come to a Columbia with 5 years of Oregon high school basketball coaching experience with stops at 3A Yamhill-Carlton, 2A Faith Bible, and 6A McMinnville High School. I also bring a year of Athletic Director experience from my time at Faith Bible. Being a former NCAA DIII athlete, I believe that I have the tools necessary to not only continue Columbia's rich tradition of success (both on and off the court), but also bring valuable lessons for our athletes looking to pursue athletics at the next level.

My wife, Kamrie, and I will soon be moving to the Portland area and are extremely excited to fully immerse ourselves in the Columbia Christian community. My wife also shares a passion for athletics and education as she was a former athlete and current 5th grade teacher in our hometown of McMinnville.

I can't wait to meet all of our Knights families and look forward to the incredible journey that God has in store!

Sincerely,

Joey Chapman
