Welcome Back: At-Home & Digital Learning Continues

March 30, 2020

Hello Columbia Christian Community,

We hope that you had a restful Spring Break and that you were all able to find moments of joy. We are collectively adapting to our circumstances and learning how to navigate the current directive: “Stay Home, Save Lives.” This looks very different for each individual and family; we pray daily for God’s wisdom and peace through it all.

At Columbia Christian School, we are blessed:

- to have a **network of alumni, donors, churches, and friends** who support the school with their prayers, efforts, and finances
- by a **School Board** comprised of members who are involved, responsive, and dedicated to furthering the mission of Columbia – even in challenging times
- through a strong team of **faculty members** who are equipped, actively collaborating, and devoted to excellence in education
- with **students** who are growing, learning new skills, and cultivating resilience in unprecedented circumstances
- and most importantly, by **parents and guardians** who are engaged in the learning process and prioritizing a solid, faith-based academic foundation for the children in their care

As we have shared previously, and until further notice, we anticipate welcoming our students back to our buildings on Wednesday, April 29. While we await approval to return to our physical campus, we want to affirm our appreciation for your support. We are grateful for the ability to continue the education of our children and to keep them progressing in their classes.

In the midst of many uncertainties, we find comfort in Romans 8:28: “And we know that in all things God works for the good of those who love him, who have been called according to his purpose.” We are in this together – prioritizing the mission of our school: to provide a Christ-centered education focused on excellence in faith, character, and academics. God is doing good things.

Blessings,

The Columbia Christian Administrative Team
